# SEATTLE ALLIANCE OF BLACK SCHOOL EDUCATORS

---

## OUR MISSION

The Seattle Alliance of black School Educators is a coalition of educators from diverse fields affiliated with the National Alliance of Black School Educators. The Seattle Alliance is dedicated to providing a high level of academic achievement, creative growth and development, cultural heritage knowledge and appreciation of all children, and African American students in particular, within the greater Seattle area.

The Seattle Alliance is committed to providing professional support for African American educators. We provide variety of African-centered activities, events and projects designed to involve African American students, parents, teachers and community in all phases of African American life within the public-school programs.

## OUR CHILDREN

Our children and educational commitment to our children shall be unyielding without compromise and fulfilled with caring, nurturing and love.

## OUR OBJECTIVES

- To address the unique urban educational needs of all children.
- To promote the academic and creative development of children
- To serve as an advocate for African American children, parents, teachers and community in order to address educational concerns.
- To effect positive change in educational policies which have an adverse effect on the education welfare of African American children.
- To decrease the number of African American students suspended, staffed out, and/or placed in Special Education.
- To examine the dropout rate of African American students and to develop preventative methods and programs to combat the problems.
- To provide professional development for African American educators who are in various places of the educational system.
- To influence and impact the policies of large professional organizations and policy makers regarding educational concerns of African American children, educators and community.
